A parent or guardian for children five and younger must be in the building at all times the child is in programming.

For the safety and security of our children, all children in pre-school and younger must go through the following check in and check out process each Sunday:

When you arrive at your child's classroom, you must

- Fill out a name tag for your child and
- Complete the sign in sheet, including a cell phone number and/or destination within the church and the name of the person who will pick up your child.

When you pick up your child, you must

- Sign out and
- Be able to provide an ID to the childcare staff that matches the "pick up" name on the sign in sheet.

I acknowledge that I have read and agree to abide by the policies of All Souls Unitarian Church as stated above.
